Fiji

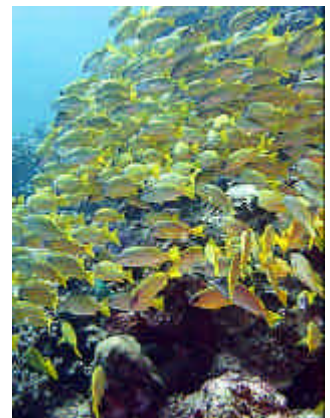

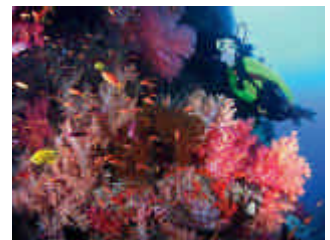

Fiji is an ideal holiday destination for divers with a non-diving partner. Fiji is known for its palm-fringed beaches, lush rainforests, cascading waterfalls and spectacular underwater world, teeming with fish and corals. The Fijian people welcome visitors with a smile and friendly greeting "BULA" (meaning "life" or "good health") heard throughout the islands.

The range of accommodation varies throughout the islands and caters for all tastes and budgets, including "eco-friendly" hideaways, small family hotels, large resorts & romantic, exclusive retreats.

The tropical climate is ideal for a wide range of water sports. These magical islands offer some of the best snorkelling and diving in the South Pacific, as well as the opportunity to experience the traditional culture of this tropical wonderland.
