Seal Rocks

Forster

Forster and Seals Rocks are home to NSW Grey Nurse Shark sanctuary. So when we dive there guess what we see???? Lots and Lots of Sharks! So for all the thrill seekers out there join the crew on our annual trek north to Forster.

Seal Rocks on the Mid North Coast of NSW is famous for its grey nurse sharks. People come from all over Australia and even overseas to dive with these gentle but fierce looking creatures of the sea. Seal Rocks is one of the few, if not the only, location in NSW where grey nurse sharks can generally be seen every day of the year. The best sites for diving with the sharks are Big Sea Rock and Little Seal Rock which are located to the south-east of Seal Rocks Lighthouse.

More fantastic dives, with sites such as The Grotto, Jimmy's Cave & The Pinnacle.

Strive towards the "Master Scuba Diver" rating whilst you're away on this trip. Do your PADI Boat Diver or Enriched Air Nitrox Course for only \$250.00 each. That's a huge saving!
