Solomon Island

The Solomon Islands is an exotic wonderland of varied landscapes, rich in cultural and biological diversity. Untouched by 20th century development and tourism, The Solomons offer visitors a feast of unique experiences and adventures.

The warm, tropical waters are full of treasures in every shape and form. The waters of Guadalcanal and Florida Island Group are packed with remnants from the war; trucks, tanks, and ships whose holds are still full of ammunition and other military supplies. However its not just the wrecks that attract the divers to the Solomons. The Solomons can boast some of the most spectacular coral diving in the world. The ocean is warm and clear, with millions of fish, large pelagics and corals. Dramatic outcrops, breath taking drop offs and imposing coral overhangs add to the underwater spectacle.

With over 900 islands to explore, there is a great variety of diving & holiday destinations available in the Solomon Islands. Among some of the best islands & resorts are:

Honiara

- King Solomon Hotel
- Kitano Mendana Hotel

Gatokae Island

- Wilderness Lodge

Gizo Island

- Fatboys
- The Gizo Hotel
- Sanbis Resort

Munda Island

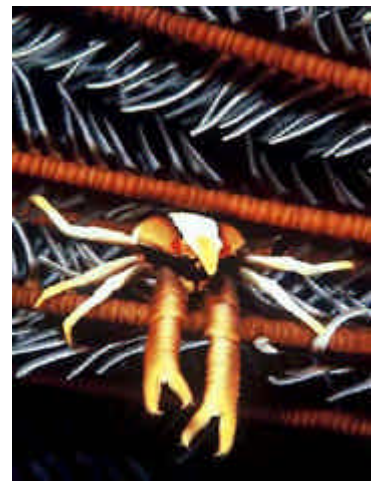

- Agnes Lodge
- Zipolo Habu Resort

Tulagi Island

- Vanitas Divers Lodge

Uepi Island

- Uepi Island Res
