

PADI Boat Diver Course

Whether you've never made a boat dive or you've logged dozens, the PADI Boat Diver Specialty course can benefit almost every diver because different boats in different parts of the world do things differently.

The Fun Part

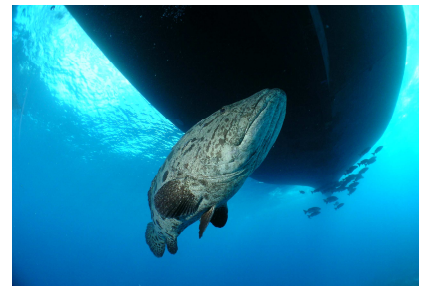

Diving from a boat is fun, especially when you look at ease when manouvering around on it. It's fun to know what you're doing.

What You Learn

- Learn the tips, tricks and ways to Dive from boats ranging from small inflatables to giant live-aboards; how they differ from place to place gain experience and training from diving on boats in your local area.
- Safely enter and exit the water; sometimes it's better to hand your gear up to the crew and then climb in the boat sometimes you just take off your [fins](#) and [weights](#) and walk up the ladder.
- Stow your gear in the most appropriate areas.
- Use surface lines to initiate or conclude your dives.
- Locate basic boat safety equipment.

Prerequisites

Must be a [PADI Open Water Diver](#) or Junior Open Water Diver (or qualifying certification from another organisation)
