

CHARLESTOWN DIVING ACADEMY

PADI Emergency Oxygen Provider Course

Be the one ready to help a fellow diver should the need arise by becoming a PADI Emergency Oxygen Provider.

The Fun Part

Breathe easy—knowing that you know how to recognize illnesses treatable by emergency oxygen. Being the best buddy you can be means being prepared – especially in a time of need.

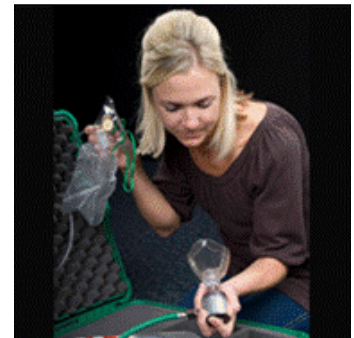

What You Learn

- Recognize diving illnesses treatable by emergency oxygen
- Properly setup equipment
- Administer emergency oxygen

Prerequisites

- Though suited for divers, this course has no prerequisites and doesn't include dives, which means it is equally applicable to those who are around divers – boat crew, non-diving buddies, lifeguards, and shore staff. You don't need any previous CPR or first aid training to take the course.

Course Duration - 1 Evening (6pm-9pm)

"So much ocean, So little time"

**103 Pacific Hwy,
Charlestown NSW 2290
