

## PADI Openwater Course

**Get Certified!** Take a Scuba Lesson with the PADI Open Water Diver Course

Get your PADI scuba certification. If you've always wanted to learn how to scuba dive, discover new adventures or simply see the wondrous world beneath the waves, this is where it starts.

The PADI Open Water Diver course is the world's most popular scuba course, and has introduced millions of people to the adventurous diving lifestyle. [Start your scuba certification online now.](#)

The fun part about this course is . . . well, just about all of it because learning to dive is incredible. You breathe underwater for the first time (something you'll never forget) and learn what you need to know to become a certified diver. During the course, you'll make at least five pool dives and four dives at local dive sites under the supervision of your PADI Instructor.

### **PADI Beginner Openwater Diver Course**

Completing the **PADI Openwater Diver** course will give you the knowledge, skills and confidence to independently plan and conduct your own dives to a maximum of 18mts without the restriction of having to be supervised by a professional diver. Your PADI 'C' Card can also allow you to hire scuba equipment, get air fills and other diving services from any dive store worldwide.
