

PADI Underwater Navigator Course

Be the diver everyone wants to follow and make your sense of direction legendary with the PADI Underwater Navigator Specialty course.

The Fun Part

Finding your way is not a matter of luck! When everyone's buzzing about a reef or checking out a shipwreck, they're having a great time – until it's time to go. Then they turn to you, because as a PADI Underwater Navigator, you know the way back to the boat.

What You Learn

- Navigation patterns
- Natural navigation (without a compass)
- Compass navigation
- How to "mark" or relocate a submerged object or position from the surface
- Underwater map making
- How to follow irregular courses with the Nav-Finder
- Dive site relocation
- How to estimate distance underwater

Prerequisites

- Must be a [PADI Open Water Diver](#) or Junior Open Water Diver (or qualifying certification from another organization)
